

INSPIRED INFRASTRUCTURE. IMPLEMENTED.™

On-Call Infrastructure Advisory Services

Introducing an innovative approach to infrastructure management...

Nexus Infrastructure can serve as your on-call infrastructure finance advisor, providing a flexible, affordable extension of staff for public sector agencies:

- ✓ *Do you need independent and/or highly specialized technical expertise?*
- ✓ *Want the expertise of 15+ industry experts for less than the cost of one full-time employee?*
- ✓ *Need the flexibility to expedite procurement and begin work immediately?*
- ✓ *Have a short-term or small project and want high-quality product?*

Our services can also be leveraged by private sector companies:

- ✓ *Need an effective, adaptable team member with strong qualifications?*
- ✓ *Not ready to incur the cost of hiring more expert staff?*

- ◆ Financial Planning and Budgeting
- ◆ Budget Crisis Review
- ◆ Financial Modeling
- ◆ Revenue Forecasting
- ◆ Project Prioritization
- ◆ Funding Alternative Evaluation
- ◆ Public-Private Partnership Assistance
